SUBSTITUTE AMENDMENT PER ARTICLE 1.312

This amendment is a substitute amendment per Article 1.312 for the amendment submitted on September 16, 2010. This amendment contains a correct enclosure, i.e., filing receipt.

Preliminary Statement:

While no fees are due with this amendment, Applicant hereby provides the Commissioner with the authority to debit Kelley Drye & Warren's Deposit Account No. 11-0404 for any and all necessary fees. If extensions of time under 37 C.F.R. § 1.136 are required to prevent abandonment of the present patent application, presently or in the future, then such extensions of time are hereby petitioned and any fees therefore are also authorized to be charged to Kelley Drye & Warren's Deposit Account No. 11-0404. While not believed applicable in such case, Applicants note 37 C.F.R. §1.7 which states "[w]hen the day, or the last day fixed by statute or by or under this part for taking any action or paying any fee in the United States Patent and Trademark Office falls on Saturday, Sunday, or a Federal holiday within the District of Columbia, the action may be taken, or the fee paid, on the next succeeding business day which is not a Saturday, Sunday or a Federal holiday."
